NOVO Mid Back

Model: 1033 BK1 F AR4 FG3 CS5 CH1 B17 MC20 FC1 AL3 LA2 KD

Novo

Since its launch in 2016, our Novo™ task chair has been recognized for its designer-friendly features and superior ergonomics. To date, Novo has been awarded the prestigious 2017 Red Dot Product Design award, an internationally recognized seal of quality, as well as the “Best of Neocon 2016” award in the Ergonomic/Task Chairs category by Contract Magazine and Buildings Magazine's 2016 Editors' Choice award in the Product Innovations category. With comfort-first design that's also customizable down to the last detail (we offer 13 choices for lumbar accent colors alone!), personalizing is easy—whether you need something professional for the boardroom or vibrant for a modern, collaborative space.

ECD Quest
Model # 2509JSLPXT

QUEST

Quest is defined as a search of pursuit made in order to obtain something. For ECD's Quest Series, the pursuit was to create the most comfortable and ergonomic office chair in the industry. Working in conjunction with a major corporations (who we named the chair after) ergonomic team and their industrial therapy group, ECD developed this family of chairs to give each user unparalleled support and comfort. Each chair puts more support down the center of the back, in the thoracic area to keep the proper curvature of the spine while sitting properly upright.
