

Fire Prevention Division Fact Sheet

Functional Role

The Fire Prevention Division (FPD) is primarily responsible for providing fire and life safety oversight for the UCSB Campus in compliance with federal, state, and local regulations. The FPD is the sole representative of the California State Fire Marshal (CSFM) at the University. Project/event specific customer service is provided for, but not limited to, UCSB Police, Design & Construction Services, Housing and Residential Services, Facilities Maintenance, Intercollegiate Athletics, Recreation, and Associated Students. The FPD is also responsible for providing regular reports to the CSFM, responding to Campus emergencies and conducting fire investigations to determine cause and origin.
