InReach SE+ Short Instructions

Sending and Replying to/with a Quick Text (preferred)
Make sure that you have a clear view of the sky. Switch on the unit, navigate the screen with \[\text{\textarrowleft, \textarrowright, \textarrowup, \textarrowdown}\] and select Messages by pressing \(\text{✓}\).
To send a new message select “New Message”.
1. To type the name of the recipient select “To” (default) or move the cursor to the left hand bar and select the “profile icon” and choose a recipient from your contact list by pressing \(\text{✓}\).
2. Press “\(\times\)” to go back to the message window.
3. From the left hand bar select \(\text{✓}\) and choose a preset (quick) massage to send.
4. Then press \(\text{✓}\) to send the message or press \(\times\) to discard it.
To reply to a message select the message of interest and select quick reply. Choose the option you want to send and press \(\text{✓}\).

Sending and Replying to/with a Custom Text (only if Quick Text do not match the need)
Make sure that you have a clear view of the sky. Switch on the unit, navigate the screen with \[\text{\textarrowleft, \textarrowright, \textarrowup, \textarrowdown}\] and select Messages by pressing \(\text{✓}\).
To send a new message select “New Message”.
1. To type the name of the recipient select “To” (default) or move the cursor to the left hand bar and select the “profile icon” and choose a recipient from your contact list by pressing \(\text{✓}\).
2. Press “\(\times\)” to go back to the message window.
3. Select Type message (default). To include your coordinates select \(\text{∅}\). Once finished, select “Done”.
4. To send the message select “send Message” To Discard the message press “\(\times\)”, select “Discard” and press \(\text{✓}\).
To reply to a message select the message of interest and select Type Reply (default). Start typing. Send by pressing \(\text{✓}\).

Responding to an e-mail sent by InReach
Do not reply to an e-mail sent by an InReach unit. Instead from your smart phone or computer click on the link provided in the e-mail. The link will take you to a map with the location of the InReach unit. The Map has an active field where you can type your respond to the e-mail.

1. Internal Iridium® antenna
2. SOS key (under protective cap)
3. Status LED
4. Keys
