

Authorization to Drive UC Vehicle in Mexico

INSTRUCTIONS TO DEPARTMENT

The Authorization to Drive UC Vehicle in Mexico letter provides the Mexican authorities with proof that the Regents of the University of California have given permission to the driver(s) identified below to travel to Baja California, Mexico in a University-owned vehicle. (Employees are also required by Mexican law to obtain, and carry with them, proof that they have purchased Mexican auto liability insurance; use the [Request for Mexican Automobile Insurance](#) to obtain this coverage in advance of your trip). Complete and submit a separate Authorization to Drive UC Vehicle letter to UCSB Risk Management for each UCSB vehicle being driven into Baja California.

AUTHORIZATION TO DRIVE UC VEHICLE

The Regents of the University of California own the vehicle identified below. Employees, staff, and students from the University of California, Santa Barbara have been authorized to use the vehicle for field research in Baja California, Mexico. The Regents of the University of California, through their self-insurance programs, provide auto liability coverage and collision and comprehensive coverage for the full value of the vehicle. Coverage survives as long as the Regents of the University of California own the vehicle. As required by Mexican law, the University has purchased Mexican Auto Liability Insurance for the vehicle while it is in Mexico. The University has also purchased Mexican Auto Collision and Comprehensive Insurance for the vehicle.

Year: _____ Make: _____ Model: _____

VIN: _____ Lic. No: _____ UC ID No: _____
