

We are pleased to announce a special discount program for all UC employees for the purchase of Steelcase products for their home office use. This program is accessible through the Steelcase Store.

UC employees can receive additional discounting by using the special coupon code **UCSystem25**, beginning Tuesday, May 26, 2020, when purchasing online. The special UC employee discount code will provide a discount of 25% off of Store pricing.

Products will be delivered via FedEx Ground to employees' homes. FedEx Ground charges are included in the price of the products.

This program is designed to pass along additional savings for Steelcase products to all UC employees who are currently under work-from-home restrictions due to COVID-19. This program also supports UC wellbeing guidelines including all EHS recommended Steelcase seating.
