

HermanMiller

## Invest in yourself the same way your campus invests in you.

As a recent awardee of the UCOP furniture contract, Herman Miller is pleased to extend a special discount to all UC employees during the COVID-19 pandemic.

With the unknown duration of our shelter in place work mode, setting up an ergonomically supportive environment can be a source of continued productivity and wellness. For a limited time, Herman Miller is offering 30% off all products in our “home office” section—exclusively for UC employees.

Promotion Code: **UCOP30**

Height adjustable table orders include White Glove Service, which includes home delivery, assembly, installation, and removal of all packing material. All other orders will be drop shipped to your home. Discounts cannot be combined with any sales or special pricing.

Over 80% of the Herman Miller products are sourced and made in the USA. We are working hard to ship your orders within ten days, with a few exceptions due to business interruptions caused by the pandemic. When selecting your product, you can look at the bottom of your screen to check the “in stock” or “lead time” indicator.
