COMMUNITY HAZARDOUS WASTE COLLECTION CENTER

The Community Hazardous Waste Collection Center (the “Center”) is administered by the Santa Barbara County Public Works Department in partnership with the University of California, Santa Barbara (“UCSB”). The Center is located on the UCSB campus and is available for use by residents and businesses located within the unincorporated area of Santa Barbara County, and the Cities of Goleta and Santa Barbara.

BUSINESS ELIGIBILITY

State and Federal hazardous waste laws limit the use of this type of hazardous waste collection program to businesses that qualify as Conditionally Exempt Small Quantity Generators (“CESQGs”). To qualify as a CESQG, a business must not produce more than 27 gallons or 220 pounds of hazardous waste per month, including a maximum of 1 kilogram (1 quart or 2.2 pounds) of acutely hazardous waste. Businesses that generate more than this amount are required to use a licensed hazardous waste hauler to manifest and transport their waste.

To be eligible to use the Center, businesses must be from the unincorporated area of Santa Barbara County, or the Cities of Goleta and Santa Barbara. Businesses will be required to sign a waiver stating that they are a CESQG and that they understand they are required by law to have a State or Federal Identification Number as a handler of waste.

QUANTITY LIMITATIONS

A maximum of 27 gallons or 220 pounds of hazardous waste will be accepted at the Center per business per calendar month.

BUSINESS APPOINTMENTS

Businesses and all non-households (including churches, schools, public agencies, property management firms, and non-profit groups) must make an appointment to use the Center.

Appointments are scheduled for Fridays only. To make an appointment, call the County of Santa Barbara Resource Recovery & Waste Management Division, Monday through Thursday, at (805) 882-3602. **Businesses and other non-households may not use the Center on the weekend household collection days.**

TRANSPORTING & LABELING WASTE

Caution should be taken when transporting hazardous waste to the Center. If possible, use the original product container or label the container if contents are different than listed. Cover all containers with a secure fitting lid and pack containers upright in leak-proof boxes. Containers must be no larger than 5 gallons each. The business should compile a detailed inventory of the waste being transported and should be able to provide the list upon request. State transportation laws limit the amount of hazardous waste that may be transported by businesses to 27 gallons or 220 pounds.

DISPOSAL FEES

Businesses will be charged a user fee of \$24.75 for processing/administration costs plus a disposal fee based on the types and quantities of waste (see price list). Non-profit organizations and schools receive a 25% discount, and the user fee is waived. Quotes are available by calling the County of Santa Barbara Resource Recovery & Waste Management Division at (805) 882-3602.

BUSINESS DISPOSAL RATES*

(as of July 1, 2020)

User Fee (Processing/Admin.) \$24.75/trip

AUTOMOTIVE/MACHINE SHOP:

Antifreeze \$2.25/gallon
 Motor Oil/Hydraulic Oil \$0.30/gallon
 Motor Oil w/Water \$3.10/gallon
 Oil Filters \$0.25/filter

BATTERIES:

All Batteries, Except Auto \$1.40/pound
 Auto No Charge

BULKED ITEMS (Based on Net Liquid):

Latex Paint \$5.90/gallon
 Oil-Based Paint \$5.90/gallon
 Oil-Based Paint w/Thinner \$5.90/gallon
 Photographic Fixer/Developer \$5.90/gallon
 Solvent/Fuels \$5.90/gallon
 Qualifying PaintCare Products No Charge

CHEMICALS (Based on Gross Weight):

Liquids/Solids (Overpack) \$3.35/pound
 Liquids/Solids (Labpack) \$4.90/pound
 Mercury (Elemental/Compounds) \$34.00/pound
 Paint Quarts/Pints \$1.55/pound
 PCB Ballasts \$5.40/pound
 Qualifying PaintCare Products No Charge

MISCELLANEOUS:

Aerosols \$3.35/pound
 Asbestos (Friable) \$3.35/pound
 Asbestos (Roofar) \$3.35/pound
 Contaminated Soil \$3.35/pound
 Drums (55 Gallon) \$20.60/drum
 Fire Extinguishers \$5.00 each
 Fluorescent Tubes \$0.25/foot
 Compact Fluorescent Bulbs \$1.30/pound
 Small Mercury Bulbs \$4.40/pound
 Propane (Under 3 Gallons) \$6.00/pound
 Propane (3 Gallons and Over) \$16.25/each
 Smoke Detectors \$7.50/each

A \$60.00/hour labor rate will be applied when additional handling/testing is required.

* Rates subject to change without notice.
